Interesting: Porrúa Europa's Cultural Town 2008

The Vacational House "La Moría", is localized in the heart of Llanes, at La Moría street, between the port (where you can find "Los Cubos de la Memoria") and El Sablón beach.

Surrounded by sea and mountain, the gastronomy and the people of Llanes make it a privileged place for the visitor to the Principality of Asturias, loving of the nature.

The construction of the house dates from century XIX, and with recently modifications, it combines the traditional architecture with all the comforts of the present constructive techniques and the warmth of the stone and the wood. To emphasize, the impressive views towards the Beach, the Port and the Stroll of San Pedro.

The house is divided in ground floor, first floor and second floor. In the ground floor will be the hall, the kitchen, a pantry and a bath and the exits towards the orchard. In the first plant, you will find three rooms, a bath and a hall to be. In the second floor you can see, three rooms, a bath and a hall to be.

Also, it has a magnificent garden where you will be able to enjoy the spectacular views and will be able to relax to the rate of the waves.

Throughout the year the house for its rent is available. To Reserve and information you can call to telephone 606109801 (see section "Contact us")
